**I am gentle and humble in heart (Mt 13:3)**

Dearly beloved, the reading from the Holy Gospel about the sower requires no explanation, but only a word of warning. In fact the explanation has been given by Truth Himself, and it cannot be disputed by a frail human being.

However, there is one point in our Lord's exposition which you ought to weigh well. It is this. If I told you that the seed represented the word, the field the world, the birds the demons, and the thorns riches, you would perhaps be in two minds as to whether to believe me.

Therefore the Lord Himself deigned to explain what He had said, so that you would know that a hidden meaning is to be sought also in those passages which He did not wish to interpret Himself.

Would anyone have believed me if I had said that thorns stood for riches? After all, thorns are piercing and riches pleasurable. And yet riches are thorns because thoughts of them pierce the mind and torture it. When finally they lure a person into sin, it is as through they were drawing blood from the wound they inflicted.

According to another evangelist, the Lord spoke in this parable not simply of riches but of deceptive riches, and with good reason. Riches are deceptive because they cannot stay with us for long; they are deceptive because they are incapable of relieving our spiritual poverty.

***The only true riches are those that make us rich in virtue.*** Therefore, if you want to be rich, beloved, love true riches. If you aspire to the heights of real honor, strive to reach the kingdom of heaven. If you value rank and renown, hasten to be enrolled in the heavenly court of angels. -St. Gregory the Great

### REGISTRATION FOR RELIGIOUS EDUCATION

If you are a returning student or a new student you must register for the Religious Education classes which will begin in the Fall. Registration is for students from grades 1 –9. Please take a form from the pamphlet rack at the entrance of the church or at [www.sanpablomarathon.org](http://www.sanpablomarathon.org).

### FAMILY CONNECTION WITH THE SCRIPTURES

*Today's Gospel reminds us that in order for God's Word to take root in us and produce abundant fruit, we must endeavor to be like good soil. Families, in particular, hold the responsibility for "preparing the soil" so that the seeds of God's Word can grow strong. There are many ways in which families do this-family traditions in which faith is celebrated, prayer and reading of Scripture, and instruction on the faith. In these ways, parents fulfill the promises they made at their child's Baptism .*

*Gather together as a family and reflect together on the sacrament of Baptism. Tell the story of the Baptism of each child, showing any pictures that were taken. Reflect together on the ways in which your family practices your faith (daily prayer, Mass attendance, religious instruction, etc.) Remind one another that we do these things as a family so that God's Word can take root in our lives and produce abundant fruit. Conclude by praying Psalm 65 together.*
